

CHEBEAGUE TRANSPORTATION COMPANY

June 2023

News from CTC!

Summer is Here!

Summer Office Hours

Monday - Friday
9am - 4pm

Annual Member Meeting

Our annual member meeting will be held on Saturday, July 15th at the Chebeague Island Hall.

Mailing to members will be completed by July 2nd.

If you would like to become a member, please provide your name, address and the \$40 per person membership fee to our office. If you would like to confirm your membership status, please call our office or stop by. **We're happy to help and answer questions!**

Summer Schedule in Effect May 19!

The good weather seems to have finally arrived and so have many of our seasonal residents. Welcome back!

This summer, CTC is excited to have our new ticket system up and running for the busy season! Tickets must be purchased in advance, either at our online store (www.ctcferry.org) or by calling our office. Our crew and office staff are happy to help answer any questions about purchasing tickets and would love to help people make it as easy as possible. Our summer boarding is in effect, so please have your ticket out and ready at the top of the ramp and wait for the crew to welcome you to board!

Summer on Chebeague means Passengers AND Freight. When you have a large amount of freight or **luggage, please either use Casco Bay Lines' very convenient freight service (www.cascobaylines.com)** or deliver your freight and passengers directly to the Cousins Island wharf in your own vehicle before parking at the Route 1 lot and catching the bus. Our busses have extremely limited room for bicycles and freight, so the best way to make sure your stuff (and you!) will get to Chebeague is to drop it off on Cousins Island before parking at the Route 1 lot. Remember, DOT and USCG requirements restrict hazardous materials we can carry. *Absolutely no gasoline or propane can be carried on either the bus or ferry.* Batteries are strictly prohibited on the bus, meaning we can't

carry things like e-bikes or battery powered lawnmowers. For questions on other prohibited cargo, please call our office.

We welcome pets on our busses and ferries. Please remember they are required to have tickets, too! Also, please make sure dogs remain under control, on a leash and not on the seats on either the buses or the **ferries. We've had some close calls with excited dogs nearly knocking over small children... not something anyone wants to happen!**

Our bus drivers and captains are expected to leave on schedule. Please plan accordingly to arrive with plenty of time for unloading and parking. Use caution when driving to the Stone Wharf, our parking lots and to the pier on Cousins Island. These are all very congested places with lots of pedestrians, children, and traffic.

Once on the pier, please stand back from the ramp to allow disembarking passengers room to get by. The boat crew will load freight and call people with bicycles down first.

We are excited to see everyone! We wish everyone a safe and happy summer!
