New Faces at CTC

Parking permit balances due!

We will be sending invoices to parking customers with outstanding balances on March 1. Payment is due by March 31. If payment is not received by that date, next year's permit fee must be paid in full before a 2024 sticker is issued. Customers will also be subject to daily fees and possible towing. Please contact the CTC office for questions regarding outstanding balances.

PLEASE PUT YOUR 2024 PARKING STICKER ON YOUR CAR TO AVOID A TICKET or TOW.

Look for some new faces on the CTC team. We'll be introducing them in the next few newsletters. Please help us welcome them to Chebeague. We're starting this month with our new office manager, Whitney Pasquarello. (Our outgoing office manager, Susan Campbell, is happily cutting back her hours to give her more time with family.)

My name is Whitney and I am thrilled to be joining the Chebeague Transportation Company as the new office manager! I grew up in Vermont, moved to Maine six years ago and reside in Biddeford with my husband Benson, son Alden and two dogs, Summit and Valley. When not at work, we enjoy hiking, skiing and camping in the summertime at Hermit Island. When you see me, please introduce yourself. I look forward to meeting everyone and getting to know the Chebeague community and how CTC serves everyone who lives and visits here.

New Bus!

Exciting news from Route One - **We have purchased a "new to us" full-size bus!** The bus, a Thomas Safety-Liner is a repurposed school bus from a manufacturer that is known for reliability. This addition to our fleet will add to the resilience and dependability of our service and reduce rising maintenance costs.
