

Chebeague Island Community:

Ridership during the winter on CTC's two late ferries on Friday and Saturday nights (10:30/10:45pm) has fallen to almost zero, and CTC buses meeting these trips are almost always empty.

The CTC Board of Directors has approved implementation of a winter schedule effective November 15, 2021 through April 30, 2022. This revised winter schedule eliminates the 10:30pm/10:45pm ferry, and corresponding bus trips, on Friday and Saturday evenings.

This decision was made after careful review of passenger utilization, both on the ferry and the busses. Based on historically low ridership for these trips, coupled with ongoing lower than normal passenger counts, the elimination of two under-utilized trips was deemed a prudent decision by the board to help control expenses amid rising operating costs. CTC anticipates no additional trip reductions in its regular schedule.

If you have any questions, please contact the CTC office at 207.846.3700. Thank you for your understanding.
