

What's New at CTC?

Free Cruise for Non-Profits

Now that we have two ferries again, CTC will resume donating one cruise per summer to an island nonprofit 501 (c) 3. The organization will decide the purpose of the cruise (fundraiser, appreciation cruise, etc.) and the cruise course. To apply for the free cruise, organizations must submit a written request via email to the CTC office (chebeaguetrans@gmail.com) by April 30th. The request must include the name and purpose of the nonprofit and contact information.

By May 15th, a drawing will be held that selects the winner for that year. Once an organization has been selected, it will be excluded from future drawings until all qualifying applicants have received a free cruise. Services provided include the crew and a cash bar (net proceeds to be donated to the organization) and a sound system. Entertainment and snacks are not provided.

Cruise Restrictions

- Cruise is for two consecutive hours and cannot be divided into multiple shorter cruises. (Longer cruises are subject to an additional hourly rate).
- Cruise must be scheduled for Sunday through Thursday.
- Dates of possible Navy charters are reserved.
- Winner must book cruise date by June 30th.

Coronavirus Policies

Given the uncertainties surrounding the COVID-19 virus, and the critical need to protect our crew members and passengers, CTC has cancelled evening boat trips. (Please see our notice elsewhere in the Calendar.)

We all need to stay healthy. We need to ensure that CTC can continue to operate to serve this island and everyone who depends on us for transportation. Safety is our highest priority.

At this point, while we will continue to respond to rescue calls, CTC cannot transport passengers who suspect they have COVID-19. CTC is following the recommendations of the Centers for Disease Control and Prevention, Maine health authorities and industry experts.

We are working very hard to reduce contact and exposure of our crew and passengers. New policies are being put in place and more may be in order as additional information becomes available.

Details about the new guidelines were posted and distributed to the community on March 18. CTC is extremely grateful for the positive response we have received since then from the Chebeague community for our decisive response and proactive procedures.

Using Green Tickets

The resident/parking permit holder tickets are to be used only by residents and/or holders of the permit and their immediate family. Tickets may not be loaned to or used by anyone else.

Thank you.

Coronavirus Update

Find the CTC Board's letter to the island in this newsletter or on our website

Barging fees have changed for 2020.

Customers who barge on the "shoulder seasons" will receive a discount. For more information regarding our fees and surcharges for transport to and from Yankee Marina, please call the office or visit our website.
