What's New at CTC?

A Reminder on Some CTC Policies

Weekday Worker Passes at Cousins are valid Monday - Friday from 6 AM to 7PM only. Passes are not valid on weekends except for local lobstermen. Workers with this pass who use the Cousins Lot on weekends are subject to availability and a \$20 daily fee.

The Town of Yarmouth has 15 designated spaces at the Cousins Island Lot - per the 2008 agreement between Yarmouth and Chebeague. Ten passes are annual parking permits issued by lottery by the Town of Yarmouth. The other five passes are daily passes issued on a first come - first serve basis.

Day Passes are for same day or next day return only. Multiple passes to extend the visit for several days are not allowed. Day passes are not valid at the Cousins Island lot.

Daily parking at Cousins Island is based on availability. CTC needs to reserve five day spaces for Yarmouth residents. Beyond that, access to the lot is purely on a first come - first serve basis.

Overnight parking at the Cousins Island lot is allowed only for persons holding a regular annual parking permit.

CTC management reserves the right to make exceptions as it deems appropriate.

COMMERCIAL FREIGHT POLICIES

We would like to remind our customers of CTC policies regarding transporting commercial freight on the ferry.

- * Freight should be delivered by the 12:15 PM ferry
- * Freight should not be delivered by dual wheel vehicles
- * Customers who are not on the ferry must notify CTC of the delivery in advance
- * All unaccompanied freight must display customer's name
- * Freight must be picked up at the ferry directly after the boat returns to Chebeague
- * Freight fees must be paid upon delivery to Chebeague.

Being a Good Neighbor...

CTC has added stations for dog waste bags at the Cousins lot and Route One lot. We have

also added cigarette disposal units at both lots and the wharf. Please help us keep these spaces as clean as possible!

Congestion on the Wharf at Cousins Island

Summer months are busy on the Island, and especially busy on the Cousins Island wharf as CTC buses and other vehicles load and unload passengers and freight for the ferry.

By Town of Yarmouth ordinance, vehicular traffic on the wharf is prohibited from Friday afternoon to Monday morning during the summer.

CTC has ordered more carts and is keeping a supply at the Cousins lot for our customers' use in transporting freight. If you are walking to the lot and there are many carts on the wharf, please take one to the lot with you.

Here are some other suggestions to help:

- ⇒ Wait for passengers in the CTC parking lot.
- ⇒ If possible, drop passengers in the parking lot instead of on the wharf.
- ⇒ Don't drive down to the wharf to leave freight if you can carry it from the parking lot.
- ⇒ Don't back up the hill. Turn around at the bottom.

ANNUAL MEMBER MEETING

Our third annual member meeting was held on July 23rd at 9 AM at the Island Hall - after this newsletter went to press.

Look for a report on the meeting in our September newsletter.

Summer office hours are 9AM to 4PM - Monday through Friday

Events on the Island - Let us Know!

Please let the CTC Office know if you are having group travel on our buses/ferry. We definitely need to know if 15 or more people will be traveling so we make the trip as comfortable as possible for everyone!
