IMPLEMENTATION OF COVID-19 FERRY TICKETS

On MONDAY, APRIL 20, 2020

On Monday, 4/20, a new ticket system will be implemented by CTC and remain in effect for the duration of the COVID-19 emergency. This system is designed to allow fare collection while ensuring social distancing between our employees and passengers — and to protect everyone. *As of Monday, only COVID-19 tickets may be used for travel on our ferry.*

How to obtain tickets: The COVID-19 ticket book has 10 detachable tickets. The cost is \$30 per book – or \$3 per ride. Children under the age of 12 will ride for free. To purchase, call the CTC office (846-3700) during regular business hours Monday through Thursday 9AM – 4PM and pay with a credit card. If you prefer to use a check, you may deposit the check for \$30 in the mailbox attached to the CTC office building at 16 North Road or mail it to our office. The tickets will be on the ferry the next morning during the business week. Be sure to purchase tickets in advance if you are traveling on the weekend since our office is closed Friday-Sunday.

If you have already pre-purchased a ticket book, it will be waiting for you on the ferry Monday morning 4/20.

All passengers will deposit a ticket or tickets from the book in a special box on the stern when boarding the ferry, avoiding contact with the deckhands and each other.

If you have COVID-19 tickets remaining after the emergency, you may trade in unused tickets and their value will be credited toward one of our usual 10-ride ticket books.

Regular tickets will again be sold and collected when the emergency is over.

Thank you for your cooperation!
