Connecticut, New York, and New Jersey residents can ride CTC Bus without completing 14-day quarantine or testing

July 8, 2020

The Mills Administration announced on July 1st that it is exempting visitors from the States of Connecticut, New York, and New Jersey from the 14-day quarantine requirement or negative COVID-19 testing alternative.

As a result of this change, CTC welcomes people arriving from New Hampshire, Vermont, Connecticut, New York and New Jersey to ride the bus when they first come to Maine. Our policy prohibiting passengers from other states from riding the bus if they have not quarantined in Maine for 14 days or have tested negative for the virus within the last 72 hours remains in place.

We realize the logistical difficulties this policy creates for seasonal residents of Chebeague. Therefore, **we are offering a barging discount to Route One annual parking permit holders.**

If you have an annual Route One parking permit and are coming to the island from out of state (without having quarantined in Maine), we will provide a \$50 barging discount if you book a round trip and reserve a return barge trip for your vehicle immediately upon completion of your 14-day quarantine. Traveling to the island, you will be expected to ride in your vehicle on the barge to limit any exposure to others.

Using our Bus Service

1. All passengers must wear face masks (these will be provided if you do not have them, we ask for a \$5 donation which will be given to the island's food pantry). Disposable gloves and hand sanitizer are also available on the bus.
2. The number of seats available on the bus trip has been reduced to 9. Family members can share a seat. Multiple trips to ferry will be made as necessary.
3. Passengers will board the bus in order. The first passenger to board the bus will sit at the rear of the bus, and so on toward the front. The bus driver will be the last person to board the bus.
4. The bus driver will be the first person to leave the bus at the destination and passengers will leave in the reverse order of boarding.
5. The bus will be disinfected after each trip.

Thank you for your understanding and cooperation!

We recognize the extra demands COVID-19 protocols impose on CTC travelers but the safety of everyone amid the current crisis is our most important goal. Please pitch in and help us all to remain healthy. Please be kind to our frontline employees – they are doing their best under difficult circumstances. Contact General Manager Carol Sabasteanski (207-319-3061) if you have questions, concerns or suggestions.
