

## **Chebeague Transportation Company**

### **Daily parking at the Cousins Island lot suspended June 17, 2020**

Our Cousins Island parking lot is at capacity. While residents are not leaving the island to work, shop, or travel, weekday workers (contractors, etc.) have returned to the island. The result is that the lot is close to – or at – capacity most days.

We recognize that this is frustrating to our customers who have paid for an annual pass and find it very difficult to find a place to park in the lot. We apologize for the situation.

**To address this problem, we are suspending day parking at the Cousins lot effective Friday, June 19<sup>th</sup>.** The only exception is medical workers traveling to Chebeague to care for island residents.

We expect this will help somewhat, but will not totally solve the problem. We will continue to monitor the situation and take further action if needed.

We encourage customers who have a Cousins permit but who travel very infrequently to move to the Route One lot – at least for the summer. CTC will refund the difference in annual parking fees.

***Thank you for your understanding and cooperation!***
