

What's New at CTC?

PARKING TERMS AND CONDITIONS

Don't Get Towed!!

Safety Inspection

Once again, the Islander had a successful annual safety inspection by the USCG! Many thanks to our crew for their work preparing for the inspection and to Matt, Amanda, and Jeremy for meeting with the Coast Guard.

ANNUAL MEMBER MEETING

Our annual member meeting will be held on Saturday July 21st at 9 AM at the Island Hall.

Mailing to members will be completed by July 6th.

If you would like to become a member provide name, address, and \$40 membership fee per person to the office.

Remember to notify the CTC Office if you have a party of 15 or more traveling on our ferry or bus so we can plan accordingly.

CTC OFFICE

(207) 846-5227/846-3700
16 North Road, PO Box 27
Chebeague Island, ME 04017
chebeaguetrans@gmail.com

1. It is the responsibility of the annual parking permit holder to inform the CTC Business Office of any changes in vehicle information or residency/commuter status.
2. "Loaner" vehicles for annual permit holders must be approved by the Business Office. Loaner vehicles that have not been approved and issued a "loaner number" are subject to daily parking fees, fines, and towing. "Loaner" vehicles must be identified by placing a visible note with sticker and loaner number in the windshield. Loaners are allowed only when the permitted vehicle is unable to be used (i.e. under repair). Loaners are not allowed to enable multiple vehicles to park under a single permit number.
3. Persons using any of CTC's parking facilities do so at their own risk and indemnify and hold CTC harmless from all liability, including liability for damage or injury due to theft, vandalism, natural disasters, or from other causes. Any damages, accidents, or injuries should be reported to CTC Business Office immediately.
4. Persons who leave keys with CTC parking attendants or other staff do so at their own risk and indemnify and hold CTC harmless from all liability.
5. Only customers with Cousins Island annual parking permits may park overnight at the Cousins Island lot without prior approval of CTC management.
6. Customers with Cousins Island annual parking permits may park at the Route One lot at any time for no additional charge. Route One annual parking permit holders may park at Cousins (day only) for \$10.
7. Weekday Worker annual permits are valid Monday – Friday from 6:30AM until 5:30PM at the Cousins Island lot with the exception of local lobstermen who may park earlier and later in the day. Weekend parking for Weekday Workers is allowed only on a space available basis. Weekday Worker annual permit holders can park at the Route One lot nights and weekends at no additional charge.
8. Customers using CTC parking facilities agree to conform to the Company's rules regarding parking policies and designated parking spaces.
9. Daily parking at the Cousins Island lot for vehicles without a Cousins Island annual permit is on a space available basis and the vehicle is subject to parking fees.
10. Annual parking permits must be permanently affixed to the lower driver's side portion of the windshield where they are easily visible and may not be laminated or photocopied. Expired CTC annual parking permits should be removed from the windshield. If permits are not displayed in the proper location, the vehicle could be mistaken for a non-permitted parker and ticketed or towed.
11. Annual parking permits are not transferable except in the instance when the owner has obtained a different vehicle. In this case the old permit must be removed and returned to the Business Office so a new permit can be issued.
12. Annual parking permits are non-refundable.

Thank you for your cooperation!

CTC's annual parking permit policies are stated in the Terms and Conditions provided with annual parking permits. Daily parking rules for both the Cousins Island and Route One lot are posted on signs and on the Company's website chebeaguetrans.com.

Last year, we began towing vehicles that did not have a valid annual or daily parking permit. We will be towing vehicles again this year.

Signs are visibly posted in both lots warning of the possible towing of vehicles and providing the telephone number to call if a vehicle is towed.

New Faces at CTC

Please welcome our new summer and part-time employees:

Ferry deckhands

Elizabeth and Trent

Bus drivers

Fred and Rock

July Birthdays

John Ash - 7/8
