Spend a day on the Kennebec!

Our destination cruise for the summer will be to Bath on 7/7. If you have never sailed the Kennebec River, you won't want to miss this one! See Fort Popham, lighthouses, and beautiful scenery along the way. During your two hour stay in Bath, enjoy lunch or visit the annual Bath Heritage Days festival. You can return to the Island on the Piper or by bus. In order to hold this event, **we must sell 35 advance tickets.** If the event is cancelled, you will receive a rain check or refund.

Reminder!

If you are barging a running junk vehicle off the island, it must have operating brakes.

The Annual Stockholder Meeting will be held July 28th at 9AM at the Hall.

Alan joined CTC in 2011 as a bus driver. His usual shift is weekends. Alan grew up in Cumberland and attended Greely High School, graduating in 1983. He joined his father's construction company and built the public safety building on Chebeague that year. Alan and his wife Laura have been married 22 years and have three children; Jordan (18), Elisha (15), and Darla (7). Alan became a bus driver for the Yarmouth School Dept. in 1994 and has worked there ever since. His hobby is making maple syrup. Every year his family produces 20-40 gallons of syrup to share with friends and family.

Meeting people from different parts of the country and having some adult passengers are enjoyable parts of Alan's CTC job.

Thanks, Alan!
