

ANNUAL STOCKHOLDER MEETING

The CTC Annual Stockholder meeting will be held on July 19th at 9am at the Island Hall.

Barging

Unexpected maintenance needs interrupted our barging service this spring. We apologize for any inconvenience our customers experienced. Our office made every effort to provide alternatives to our customers.

Deliveries to Cousins Island Wharf

Per the agreement between the towns of Yarmouth and Chebeague Island, commercial vehicles can make deliveries to the Cousins Island wharf only on non-holiday weekdays between 7AM and 12:15PM. Deliveries by dual wheeled vehicles are prohibited.

Business Office:

CHEBEAGUE TRANSPORTATION COMPANY

What's New at CTC?

June 2014

**We now accept
Credit Cards!**

Let's Cruise!

Once again, we are planning several fun cruises. We have done our best to plan around other island organizations' big events. This year we will change the time of the Saturday evening cruises to make it easier for people from the mainland to join us. Folks coming to the Island for the sole purpose of participating in the cruise will not be charged for parking at Route One or the ferry fee on the Islander. However, arrangements must be made in advance in order to receive the free parking/ferry by emailing or calling the CTC office.

We have three cruises planned for July. August cruises will be in our July newsletter.

July 4th: Fireworks cruise. This has become a very popular annual event. This year we will add live entertainment as well as some fun "Revolutionary" games with prizes.

July 18th: We have had many requests to provide a cruise to the Clam Festival - so this year we will do it. The Piper will take you to the Royal River, where a bus will meet you to drop you on Main Street just in time for the Friday night parade. We will pick you up and take you home, with live entertainment both ways. What a way to enjoy the Festival without traffic!

July 19th: (Adults Only) For those who like to remember the old days, let's have a Nostalgia Night. Our 60's cruise last year was enjoyed by all. This year, we are expanding it to include the 70's. We are wondering how the 60's group will handle the 70's. You need to dress for the occasion, because we will have a Best Costume competition. In addition, we will have trivia games and prizes - as well as a dance contest. Twist vs. Disco. Who can choose?

"Green Garden Party Cruise"

Watch for news from the Library as they plan their Pied Piper fundraising cruise. All money raised will go toward beautifying the grounds around the Library.

Having a Party?

Please let the CTC Office know if you are having group travel on our buses/ferry. We definitely need to know if 15 or more people will be traveling so we make the trip as comfortable as possible for everyone!

Thanks!

Thanks to our Blanchard Lot customers who moved their vehicles to the Route One parking lot during the recent maintenance at the lot. We appreciate those of you who make that extra effort to help us improve the lot! And thanks to Scott Dugas Trucking and Excavation for another excellent and timely job!

Over the last several months we have been testing our new credit card processing system. Many thanks to Kim and Martha who have spent lots of time setting up the system and learning both the front end and back end functionality. Our boat crew has been using the system since mid April and have offered many helpful suggestions. The bus crew began accepting credit cards on May 23rd and are still in training. Thanks to our employees who have kept a positive attitude during the transition. The first three customers to call or email the office and say "I'm ready for summer" will receive two free tickets for a July cruise of their choice. Because we lack a ticket office and tickets are sold in a parking lot and on a ferry, adding another function complicates an already complicated process. As with any change, there will be some bumps along the way.

Thank you in advance for your understanding and patience.
