Shannon Smith

Shannon has been with CTC for nearly three years working as a part-time captain and deckhand. She was raised in MA and graduated from UNH with a degree in marine biology. Except for a few years traveling the country as a medical software consultant, Shannon has spent her career on the water. Her exciting adventures are too numerous to list, but a few highlights include serving as a deckhand on the tall ship *HMS Rose* during the filming of the movie "Master and Commander" and aboard the schooner used in the filming of several of the "Pirates of the Caribbean" movies. Her jobs have taken her up and down both coasts and to the Caribbean. Shannon has her 100-Ton Captain's license and her 200-Ton Mate's license. Her biggest adventure will begin on May 4th when she weds her fiancé, Mike Adams!

We wish Shannon and Mike the best!

BOOTHBAY HERE WE COME!

Our big excursion for the summer will be to charming Boothbay Harbor. On Saturday, 7/20, we will leave Chebeague at 9:30am and return at 5:00pm. The cruise to Boothbay will take about 2.5 hours. Once there, you can shop, have lunch, or visit the nearby Coastal Maine Botanical Gardens. (We will arrange transportation to and from the gardens.). Leaving Boothbay at 2:30PM, we should be home around 5PM. For those who want to get home earlier, we will provide a bus leaving Boothbay at 2:30PM to catch the 4PM ferry. A minimum of 35 advance ticket sales required to hold this special event!

SUMMER FARE INCREASE

Summer ferry fares will go into effect on May 1st. Fares will be raised to their 2012 levels. New fares will be posted on our website and on the ferry.

Thanks to everyone who answered our cruise survey! This year we are working hard to make our cruises even more fun and interesting. In addition to our annual 4th of July and Foliage Cruises, check out what else we are planning:

Chefs of Chebeague: Sample the delicious dishes of several island chefs. Must be 21 to attend, limit 50 passengers. A four-star cruise.

Rivers and Harbors: Tour the Royal River and South Freeport Harbor, featuring live entertainment.

Harpwell Lobster Boat Races: An afternoon cruise to watch the annual event. Live entertainment.

The 60's: "Come As You Were!" A fun cruise for adults only. 60's music, prizes, and more.

The Islands of Chebeague: The Town has more than one island! Take a cruise and discover the true borders of our town. Live entertainment.

Bay Tour with Cliff and Long: Let's stop by and pick up friends from these islands and take a ride! Live entertainment.

We may be adding other events, and are still open to your ideas. The cruises are fun, a great way to entertain guests or family, and a perfect way to explore and experience the best of Casco Bay. Tickets go on sale in early June.
