Maintenance at Blanchard Lot...

Summer Ferry Fare Increase

Credit Card Update

Credit cards are now being accepted on the ferry. We will phase in credit card processing at the Route One satellite lot in May. While there is a pricing change on the ferry, prices will not be changed at the Route One lot. Daily parking fees will remain \$15. We have not scheduled a date for converting the Blanchard lot. For the time being, cash and check will be the only payments accepted at the Blanchard lot.

Barge Service will be Interrupted

Due to necessary maintenance on the Dovekie, barging service will be interrupted for a few days beginning May 7th. We will post the date the barge will be back in service as soon as we can after the 7th.

Effective May 1st, summer ferry fares will increase according to the schedule below. CTC will accept credit cards as a payment method on the ferry. Customers who pay for their tickets with cash or checks will receive a discount.

During the week of May 12th we will be doing maintenance on the Blanchard Lot.

Our plan is to improve the area along the back fence and to repair the roadways. The improvements we have made on the lot over the last few years have been beneficial to our customers and have aided us in maintenance efforts (for example, snow removal).

To complete this project, we will need to clear the spaces along the back fence. We will start block-

ing off spaces the week of May 5th. **In order to accomplish our goals, we need your help. We are asking our customers to move to the Route One Lot if at all possible during the week of May 5th.** Thank you in advance for your help. Your cooperation is appreciated!!

May 4th Meeting with CTC Barging Customers

Interested barging customers (especially commercial customers) are invited to a meeting with our captain and office manager to discuss our service and ideas for improvement. The meeting will be May 4th at 2PM at the Public Safety Building. Please join us! The first two people who call the CTC office and say "Free Rides for Me" will receive a guest book of ferry tickets. Be sure to leave your name and number if no one answers!

Congratulations to the Chebeague Library!

A number of island organizations entered our contest for a free two hour Pied Piper cruise this summer. We are pleased to announce that the Library was this year's winner! We will repeat the contest annually. We're sure the Library will plan a great event!

Having an Event?

Please let the CTC Office know if you are having a group (more than 15 people) travel on our ferry or bus service.
