

What's New at CTC?

Cousins Lot Maintenance

“Loaner” Vehicle Policy

It is a long-standing CTC policy that parking permit customers may substitute a “loaner” vehicle when the stickered vehicle is being repaired. This program may not be used to, in effect, share a sticker between vehicles. Use of a loaner must be authorized by the Office.

Parking Policies Enforcement

We thank the majority of our customers who respect and comply with our parking policies. For those persons who do not comply, we will begin towing violators effective June 1st. This includes vehicles parked with no or expired tickets and those abusing the “loaner” policy shown above.

Summer Office Hours

Starting May 1st
Monday - Friday
9am-4pm

Important Safety Notices

Crew Safety Training Exercises

Safety is the priority at CTC. We recently had several crewmembers attend the Coast Guard Sector Northern New England Industry Day in Portland where the Coast Guard provided an update on current trends and new regulations.

Continuing our strong training program, the ferry crew had two crew training drills this quarter. One drill focused on best practices for securing the ferry. The second drill covered several topics including testing the new powered wheelchair .

Cousins Parking Lot Safety

The speed limit on Pogy Shore Road is 5 MPH. Unfortunately, our parking lot crew reports that our customers frequently do not adhere to this. We are trying to be good neighbors, so please adhere to this speed limit!

Safety on the Ferry

Passengers are prohibited from assisting the deckhand in securing the ferry unless requested to do so. Passengers should not open gates or chains. This is the responsibility of the deckhand. Passengers should remain seated until the ferry is docked and the deckhand has opened the door or gate.

Safety at Cousins Island Wharf

Our buses need to enter the “hammerhead” at a particular angle in order to be able to back out. Vehicles parked at the wharf may make it difficult for the bus driver to make the turn. If the bus is trying to pull into the hammerhead, please move your vehicle to accommodate. In addition, the bus leaves the hammerhead after **the ferry has left the dock. The driver’s visibility is limited when backing up.** Refrain from walking behind the bus when backing up.

Summer Ferry Fee Increases effective 5/1/2018

Child (Ages 6-11)/Pet (20 tickets) - \$26.00
Resident/Parking Permit Holder—Adult (10 tickets) - \$39.00

CTC Carts

We provide carts for our customers at a considerable cost. We ask for your cooperation. Please do not overload the carts and leave them on the wharf at Chebeague—**don’t take them home!!**

In early May we will be having the Cousins Lot repaired. Our goal is to improve the parking spaces near the fence. We will need to clear that area to make the improvements. Check out Facebook and our notifications for more information..

Barging Starts May 1st!

Barging Fee Surcharge at Yankee Marina

According to a 2018 agreement with Yankee Marina, each regular sized car or truck will be charged a \$25 fee. Larger vehicles will be charged a \$50 fee. These are in addition to CTC barging fees available on our website. Call the office for more information.

CTC Birthdays

Mary Todd—5/1
Martha Hamilton-Doughty—5/9
Amanda Campbell - 5/12
Jeremy Ames—5/23
Happy Birthday!
