

Snow

Removal Services

John Wilkinson, a CTC bus driver, is once again offering personal snow removal services at both the Route One and Cousins Island lots. If you are interested, call John at 671-8305.

Bus Freight

The buses are used to transport personal freight only. Commercial freight should be delivered directly to the wharf. Passengers who have large amounts of personal freight should deliver it to the wharf and then return to the parking lot for the ride on the bus. Federal regulations prohibit the transportation of any type of fuel or anything that has - or has had - fuel in it. Transporting vehicle or marine batteries is also prohibited.

PARKING APPLICATIONS DUE 11/28

Applications for annual parking permits have been mailed to current permit holders. The applications are also posted on the "Parking and Bus Service" page on our website. The

price for a Cousins Island parking permit has been increased \$25 this year after six years without a pricing increase. Parking spaces are limited at the Cousins Island lot and we receive more applications each year than available spaces. Priority is given to families living on the Island year round, especially those who commute. When you complete your application, please provide any information you feel may help us in our decision.

Applications received after the due date will not be considered for a Cousins Island spot. Customers who are more than 30 days in arrears for payment (of any kind) will not receive a Cousins permit and will only receive a Route One payment when the account is paid in full.

After reviewing the holiday ridership for recent years, we have created a schedule for Thanksgiving Day, Christmas Day, and New Year's Day 2017. Please note that we have one additional ferry on Thanksgiving Day. The schedule will also be posted on our website and copies will be available on the Islander and on the bus.
