

## FREE BOAT DAYS

This year our free boat days are 12/08 and 12/15.

**Commuter Parking at Cousins Lot starts 11/1**

## Snow Removal Services

Bus driver John Wilkinson is offering his service to clean off and shovel your car(s) after storms at both the Route One & Cousins Island lots.

He will start your vehicle and even take it up the road to charge it at no additional cost.

If you are a returning customer or a new customer just give him a text or call at 207-671-8305 while their are still openings.

What would be better than having your vehicle ready to go when you get to the lot after a snow storm?!!

# What's New at CTC?

## NAME THAT FERRY!

Our new ferry will be delivered in the spring of 2019. We need to give her a name! So, we're staging a naming contest and asking the community for suggestions. Here's how it works:

Submit your entry to the CTC office in writing or via email by 11/30. Be sure to include your name and phone number. You can suggest more than one name per entry or submit separate entries.

A CTC Board committee will select the top five names. This will be a blind contest—the committee will not

know who submitted the entries.

Once the top five names have been selected, the community will then be asked to vote on their favorite through a written and online voting process.

The winner will be named by 1/31/19. The winner will receive 5 ferry ticket guest books and the honor of naming our new ferry.

(If there are multiple submissions of the winning entry, we will draw the winner from a hat.)

*Happy Thanksgiving!*

## Cousins Island Annual Parking Applications Due 11/24/2018

Applications for annual parking permits will be mailed soon to current permit holders. The applications will also be posted on the "Parking and Bus Service" page on our website and available on the ferry. Parking spaces are very limited at the Cousins Island lot and we urge customers to consider moving to the Route One satellite lot. Applications received or postmarked after the due date will not be considered for a Cousins Island spot. Customers who are more than 30 days in arrears for payment (for any service) will not receive a Cousins permit and will only receive a Route One permit when the account is paid in full.

## COUSINS ISLAND PARKING PERMITS

Due to space limitations, it is not possible to provide Cousins permits to all applicants. Priorities must be set.

The first priority is to issue a permit to one resident of each household that has met the criteria for a resident household (detailed in our application). If there are available spaces after issuing one to each household, second household permits will be issued to commuters, island businesses, and families with school children if the first household permit is held by a full time commuter.

In 2017, CTC implemented a "partial year" permit. This permit allows parking at the Cousins lot during certain months only. Please review carefully all the terms and conditions detailed in our application package to determine if believe you qualify for a Cousins Island permit.
