Cousins Island Annual Parking Applications Due By 11/22/2019

Applications for annual parking permits will be mailed by November 1st to current permit holders. The applications will also be posted on the "Parking and Bus Service" page on our website and available on the ferry. Parking spaces are very limited at the Cousins Island lot and we urge customers to consider moving to the Route One satellite lot.

Due to space limitations, it is not possible to provide Cousins permits to all applicants. Priorities must be set.

The first priority is to issue a permit to one resident of each household that has met the criteria for a resident household (detailed in our application). If there are available spaces after issuing one to each household, second household permits will be issued to commuters, island businesses, and families with school

children if the first household permit is held by a full-time commuter.

In 2017, CTC implemented a "partial year" permit. This permit allows parking at the Cousins lot during certain months only.

Please review carefully all the terms and conditions detailed in our application package to determine if believe you qualify for a Cousins Island permit.

Customers who are more than 30 days in arrears for payment (for any service) will not receive a Cousins permit and will only receive a Route One permit when the account is paid in full.

Applications for the Cousins lot must be received at the office or post marked by 11/22. Applications received or post-marked after the due date will not be considered for a Cousins Island spot.

Who qualifies to use ferry Resident/Parking Permit tickets?

CTC offers discounted "green" ferry tickets to island residents and people who purchase an annual parking permit. To qualify as a resident, you must reside on Chebeague Island at least nine months per year and be eligible to vote on the Island. To qualify as a parking permit holder, you must purchase an annual parking permit at either the Cousins or Cumberland parking lots for the current year. Spouses and children (age 21 and younger) of the parking permit holder/resident also qualify to purchase this ticket. Unfortunately, the deckhands report that some people are using their green tickets for persons who do not qualify. Please follow the eligibility requirements that are posted on our website.

Keys, Keys, Keys...

CTC has copies of many customers' keys at both our lots. We suspect that we have keys for cars long gone and for people who no longer live on or visit Chebeague. If you have given us a key at one of our lots that should be returned to you or discarded, please email or call the office and let us know.

Thank you!
