

**A look at our 2014
Cruise Season**

It's hard to believe the summer is over! Again this summer we had seven cruises. The Portland Fireworks, MS Harborfest, and Casco Bay History cruises were well attended. Clam Festival Opening Night, Nostalgia Night, and Game Night had low participation. We expect our Foliage Cruise to be well attended as many come out to enjoy the last cruise of the season with live entertainment.

This winter we will be evaluating our cruise schedules and marketing. Your ideas are welcome!

**2015
PARKING
APPLICATIONS**

Applications for annual parking permits will be mailed in October to current permit holders. The application will also be posted on the "Parking and Bus Service" page on our website. We are pleased that once again there will be no parking fee increase for either parking lot. (Parking rates have not increased since 2010). Parking spaces are limited at the Cousins Island lot and we receive more applications each year than available spaces. Priority is given to Island residents, especially those who commute. When you complete your application, please provide any information you feel may help us in our decision process.

**Commuter Parking
Starts 11/1**

Beginning November 1st, the commuter parking area will be reserved for those permit holders who have a commuter sticker on their permit. The parking is reserved for commuters who travel at least three days per week Monday - Friday.
