2020 Parking applications

Applications for annual parking permits will be mailed in late October to current permit holders. The application will also be posted on the "Parking Service" page on our website and can be picked up at our office after 11/1/2019.

Each year we receive more applications for the Cousins Island Lot than available spaces. Applicants for the Cousins Lot may be asked to prove residency by providing a copy of a **driver's license and/or vehicle registration**.

The deadline for Cousins Island lot applications is November 22, 2019. Applications received after that date will be given a Route One permit.

Please check the application and terms and conditions carefully to ensure you will qualify for a Cousins Island permit before applying for one.

Winter Ferry Fares effective 10/1

Barging Junk Cars

CTC will barge junk cars on a space available basis for no cost. Cars must run and have working brakes. The customer must load the car on the barge and unload **it at Cousins. Dave's Junk Yard** in Freeport will pick up the car at the Cousins Lot. Their number is 865-4702. if interested.

The Independence ...

...is undergoing sea trials and Coast Guard inspections in the next couple of weeks. We do not have a definite date when she will come home.

Traveling with Dogs

It seems that the number of dogs traveling on CTC has increased substantially. When dogs are on our ferry or bus, they must be leashed and, if aggressive, muzzled. Dogs are not allowed on ferry or bus seats.

Finally, out of respect for other passengers and the neighborhood, please clean up after your dog. We provide pet waste bags at both parking lots and on the wharf.

Thank you!

Reminders!

The Town of Yarmouth has 14 designated spaces at the Cousins Island Lot. Ten passes are annual parking permits issued by lottery by the Town of Yarmouth. The four daily spots are on a first come - first serve basis. Yarmouth polices the daily spots and issues tickets as needed.

The third person to leave a message on the office phone after 6 PM on October 10th and says "Happy Halloween" will receive a ferry guest ticket book.

Daily parking at Cousins Island is based on availability. Access to the lot is purely on a first come - first serve basis. Day parkers must be out of the lot by 5:30 PM. For the month of October, day parkers cannot enter the lot until 7 AM due to lack of space.

Overnight parking at the Cousins Island lot is allowed only for persons holding a regular annual parking permit.

CTC management reserves the right to make exceptions as it deems appropriate.
