Returning annual parking permit vehicles to Route One and Cousins

May 27, 2020

Notice to Current Annual Parking Permit Holders

Many of our annual parking permit customers have been directly impacted by our need to suspend our bus service for several weeks. Thank you for your cooperation and patience.

Our bus service resumes on 6/1. The Mellins have graciously allowed us to continue to use their property until 6/7.

We are asking all Route One permit holders (parking at either the Mellin property or the Cousins Island lot) to move their car back to Route One by 6/7.

Those Cousins permit holders who moved a second car to Route One in order to make room for Route One vehicles can move that car back to Cousins any time after 6/7.

If you need assistance moving your car, please call Scott (846-5227) at the office or Carol (319-3061) and we will be happy to move it for you.

Once again, thank you for working with us so we could ensure everyone living on the island had access to their cars during this difficult time.

We recognize the extra demands this imposes on CTC travelers but the safety of everyone amid the current COVID-19 crisis is our most important goal. Please pitch in and help us all to remain healthy and please be kind to our frontline employees – they are doing their best under difficult circumstances. Contact General Manager Carol Sabasteanski (207-319-3061) if you have questions, concerns or suggestions.
