Desk top printer/copier			
Portable sewing machine	<p>Larger personal items will be charged either \$3.00 or \$5.00 based upon the size, weight, and bulkiness of the item.</p> <p>Large amounts of personal construction supplies will be charged at the deckhand's discretion according to the commercial freight rate. For reference purposes, a "large amount" would be considered construction supplies more than 5 in quantity. (5 bulk bags, 5 sheets of plywood, 5 roofing bundles, etc.).</p> <p>In the case of limited deck space for personal freight, personal items such as groceries and suitcases will take priority in transporting. Therefore, it is always wise to transport personal construction freight on morning ferries.</p>
