

What's New at CTC?

Summer's over!

Foliage Cruise

Join us on *Sunday*
October 13th from
4PM to 6PM.

Thanks for your patience!

We had many busy weekends on the CTC this summer! Weddings, family reunions, and other events caused very full boats on some trips and even required double trips a couple of times. We know of more events coming up and will send out notifications when we expect very high volumes.

Congratulations

to Captain Beth Putnam, Jeff, Gage, and Cole on the arrival of Kaden Putnam on July 30th!

Goodbye and Thank You

to Lucas Hamilton and Alex Hensley who will be returning to college soon. Lucas has been a summer deckhand for three years and Alex for two. They won't be returning next year - we wish them both the best!

25 Years!

At the annual stockholder meeting, President Susan Stranahan recognized Kim Munroe's 25 years of service to CTC! This picture was taken in her first year with the company.

Kim met her husband Ralph after moving to Harpswell to be near her mother. They met at a dance on Orrs Island and were married in 1989 on Chebeague. They have two daughters, Lida and Megan.

Kim has filled many jobs at CTC including parking lot attendant, deckhand, bus driver, and barging and charter deckhand. The only job she hasn't had is captain (although she knows how to run the ferry!).

For a couple of years Kim worked seven days per week (from the first boat to the last) from Labor Day to Columbus Day - alternating between deckhand and bus driver.

In the past 25 years, Kim has made the trip to Cousins Island and back more than 50,000 times - traveling enough miles to circle the earth seven times!

Kim has great knowledge of CTC's history and operations and can be counted on to give a thoughtful and balanced perspective regarding company matters.

Join us in thanking Kim for her many years of dedicated service!

It's hard to believe that the summer is coming to a close. We completed seven cruises, with one more to go! This summer we offered a variety of cruise themes. We started the season with a lunch cruise to Dolphin Marina in June. In July, we had four cruises: "4th of July fireworks", "Chefs of Chebeague", "Rivers and Harbors", and the "Harpswell Lobster Boat Race Cruise". August saw two more theme cruises: "Relive the 60s" and "Islands of Chebeague". All of the cruises were well received, with live entertainment on several and some great insight into our history provided by Donna Damon on the Islands of Chebeague cruise. Unfortunately, we were not able to hold the Boothbay Harbor day cruise due to lack of ticket sales - but maybe next year! Many thanks to Mark Dyer, Josh Doughty, Celia Whitehead, and Mark Bowman for the great entertainment. We have a lot of talented folks on the island! We welcome your ideas for cruises in 2014. Look for another cruise survey early next year. ***Our thanks to all those who joined us on cruises this summer.***
