CTC Staff in the Spotlight

Alex Hensley

Alex is one of our summer deckhands. He graduated from Yarmouth High School in 2011 and just completed his freshman year at Rochester Institute of Technology.

During high school, Alex co-founded the Yarmouth Robotics Team club. In 2009 his team won the State competition. Better yet, the team qualified for the national competition two years in a row!

Alex is majoring in physics at RIT. He plans to get his master's degree and hopes to land a research position in optics or nuclear.

Alex lives on Cousins Island with his parents and two sisters. His hobbies are biking, computers, robotics, and computer games.

Alex likes his deckhand job because he can work outdoors in the fresh air. Even better, he can work on the water!

Thanks, Alex!

Annual Stockholder Meeting

The CTC annual meeting was held on July 28th at the Island Hall (after this newsletter went to press). Minutes of the meeting and presentations will be posted on the CTC website by August 3rd.

Planning an event on the Island?

Please let CTC know if you will be having a large number of people using our ferry and/or bus so we can plan accordingly.

Reminder!

The captain will not land the ferry if there are people standing on either the Cousins or Chebeague float.

THE PIPER IS BUSY THIS SUMMER!

Both our July 5th fireworks cruise and our excursion to Bath were great successes! We had more than 70 passengers on each of the trips. Visit our website for pictures of the folks and the scenery.

In addition to the cruises we planned this summer, CTC has booked several charters. We are pleased to be transporting wedding guests from Portland to other islands, doing a wedding cruise around the island, taking a veterans' group on a sail around the bay, helping the Rec Center with their Poker Run, helping Project Graduation, and repeating our Navy Charter in Rockland!

We have great cruises scheduled for the rest of the summer. Join our Bay Cruises on:

- * July 29th
- * August 18th
- * August 26th
- * September 8th
- * October 6th

Tickets available on the ferry and at the CTC office.

Safety on the Upper Deck

The upper deck on the Islander is open to passengers for limited hours on the weekends. **When using the upper deck:**

- Please have both hands free and face the ladder when climbing or descending .
- Please supervise your small children at all times .
- Please do not take bags or pets on the upper deck.
- Please do not climb on or lean over railings.

Thank You!

On-line ticket sales

When purchasing tickets online, **please remember:**

- Each ticket must be for the number of people in your party on that trip. We cannot split tickets.
- Only one copy of the ticket should be presented to the bus driver and deckhand for the number of passengers on the ticket. Do not print and distribute copies of the ticket.
- The return ticket must be used the same day or next day to receive the discounted fare.
