COVID 19 Response Changes in Service

In response to the COVID 19 virus and in keeping with Governor Mills' Stay Healthy at Home Executive Order CTC will implement the following changes:

FERRY: THE 2/2:15pm and 3:45/4PM ferry trips are cancelled effective 4/6/2020.

CTC will temporarily suspend sales and collection of ferry tickets on 4/4/2020

CTC will prohibit the transport of bicycles effective 4/4/2020.

ROUTE ONE BUS SERVICE CANCELLED: The last day of bus service will be Wednesday 4/8/2020. Route One permit holders should contact the CTC office if they believe they need to move a vehicle to Cousins. Due to the limited space at Cousins, each request will be evaluated and prioritized.

COUSINS ISLAND PERMIT HOLDERS: Households that have more than one vehicle with annual Cousins permits must move all other vehicles to the Route One Lot by 4/8/2020. One space per household will be allowed at Cousins.

Thank you for your understanding.
