## Emergency Alert!

As most of you have heard, there was a great white shark attack off Bailey Island in Casco Bay on Monday, July 27<sup>th</sup>. Since then, there have been alleged sighting's around Cousins Island. The fact is that the great white shark attack was real and resulted in the death of one woman. Please be diligent when you are in and around the shore. The recommendation is to stay close to the shoreline in ankle deep water. Stay safe!

Marjorie E. Stratton  
Town Administrator
