SAD 51 Early Release Days

SAD 51 has “early release days” on most Wednesdays during the school year. When this happens, CTC runs an extra boat for the school children. CTC customers are welcome to use these boats as well. There are no CTC bus runs to and from the Route One Parking Lot for these special trips. Please see table below for the remaining early release dates for this school year. Please note that SAD 51 may cancel some dates if school has been cancelled during the same week. It is best to call the information number or office if there is any question. The schedule will be posted on CTC’s website as well.
