This might sound like a lot but all is pretty easy and self-explanatory especially when you go through it once. If you get stuck or frustrated please feel free to email us or call me at 917-435-8812 or Ben at 207-245-8038.

Thank you for trying and please let me know when finished so I will double check to make sure all is correct. We are looking forward seeing you on the island.
