## CTC is Hiring!

### Parking

2021 parking stickers must be displayed immediately. Vehicles without 2021 stickers will be subject to ticketing, daily parking charges and/or towing at the owner's expense. *CTC recognizes that some people are not traveling to the mainland frequently. We will assist with applying 2021 sticker if needed. Please call our office for more information. Also, the Designated Commuter Area on Cousins Island is for people who applied and received a Commuter Sticker only. If you do not have a Commuter Sticker, please do not park in the designated commuter spots.*

### Employee Birthdays

Rock Helpin—3/29  
Ted McKeen—3/31

We are currently accepting applications for:

Part Time Bus Drivers (A Class B CDL with passenger endorsement is required.)

Part Time Deckhands

Both drivers and deckhands must be available to work some nights and weekend shifts and are required to pass a pre-employment drug test.

CTC offers competitive pay along with many benefits, including free boat fare as well as parking and barging benefits. Preference for the deckhand positions will be given to year-round or seasonal residents of Chebeague Island.

Fill out an application on the CTC website or call the CTC office for more information.

**We are looking for dedicated people to join our team. We're proud to serve the Chebeague community. Come join a great crew!**

## Ferry and Bus Cancellation Notices *How to keep informed*

Occasionally, adverse weather conditions require CTC to cancel ferry and/or bus trips. While we try to give advance notice of cancellation (minimum of 60 minutes), there are times when safety concerns require cancellations with shorter notice.

If we must cancel service, we will post the notice on our website and FB page and ask for posting on chebeague.org. Emails and texts will be sent to those who have signed up for CTC alerts. (We currently notify over 800 people.) If

interested, please sign up on the cancellations page of [chebeaguetrans.com](http://chebeaguetrans.com).

The first bus trip is always cancelled when Yarmouth schools cancel or delay opening. Other bus service cancellations will be posted in the same manner as ferry cancellations. If the bus is cancelled, but the ferry is still running, Rt. 1 users may park at Cousins. Their vehicles should be moved back to Rt. 1 as soon as possible.

### Reminders from the Ferry Crew

Please have your tickets out and ready as you are boarding the ferry!

Because our crew often uses time between trips for cleaning, maintenance and training, and to process tickets, we must delay boarding until 10 minutes prior to departure. Passengers may not be on the ferry without the boat crew present. Please wait to board until the deckhand calls you down!

For your own safety, please remain seated until the ferry is tied up, especially during rough weather.
