

What's New at CTC?

CTC Staff in the Spotlight

Kevin Wentworth

Captain Kevin has worked for CTC for seven years.

Kevin was born in

Florida and grew up in Burlington Vermont where he attended UVM before working for many years in the copier business as a technician, service manager, and sales manager. While in Vermont, Kevin lived on Lake Champlain—enjoying boating and scuba diving (even ice diving). Working with the local Marine Museum, he documented shipwrecks by doing underwater videotaping of the wrecks.

Ten years ago Kevin moved to Maine and made a career change. He decided to pursue his love of the water and applied to Maine Maritime Academy. While waiting to start his studies, Kevin's plans changed when he met his roommate's sister Polly Wentling. Polly was living on Chebeague and working for CTC at the time.

Kevin says he got both the girl and the job of his dreams when he married Polly (at her grandmother Ann Knight's home) and joined CTC—working on the water! And good things just kept on happening with the birth of their three year old twins Alden and Olivia!

This year, Kevin added vessel maintenance to his duties. What does Kevin like about CTC? Being on the water, working to keep the boats in great shape, and providing safe transportation to the Island.

Thanks, Kevin!

Holiday Schedules

Winter's Coming!

CTC has trip cancellation policies posted on our website and the Islander. If you want to be notified of cancellations, sign-up for a text or email on our website. We will also post cancellations on WCSH TV and WGME TV.

Weekday Commuter Designated Parking Spaces

Weekday commuters will have a designated parking area each year from November 1st to March 31st. The designated area is posted on the Islander and available on our website. Qualifying commuters will have a special designation on their annual permit. Persons parking in the weekday commuter spaces will be asked to move their vehicles. *Thanks for your cooperation.*

Parking Permits for 2012

It's time to apply for your annual parking permit at the Cousins Island and Route One lots. Letters to current permit holders have been mailed. The application can also be found on our website. We are pleased that there will be no increase in pricing this year. Permits for Cousins Island are \$675 per year. Route One permit cost is \$600. As always, space is limited on Cousins and applications for this lot must be received by 11/26. If you need an application mailed to you, please call the office.

Free Boat Days!

As our holiday gift to you, CTC will provide free ferry service on December 10th and 17th, 2011.

Where did all the carts go?

CTC purchased 20 carts for our customers' convenience. We recently took an inventory and found that 7 were broken and 7 were missing—leaving 6 for our customers to use. Broken carts are due to overloading. Please remember the carts are only designed to hold 100 pounds and—if you have a cart please return it to the boat.

Thanks for your help!

CTC Policies effective 11/1/2011

Last month we announced policies regarding delinquent accounts, charging ferry fares, and returned checks effective November 1st. Check our website or the notice on the Islander for details.

Barging ends this month...

Barging will be over November 30th. Call to schedule your trip soon.
