

CTC Board Contribution Policy

To demonstrate our commitment to our mission and to reach our financial goals, board members agree that they must first make a gift themselves. This policy is intended to ensure that every board member supports the Chebeague Transportation Company with an annual donation. Board giving is distinct and in addition to buying tickets or otherwise participating in our organization's activities. Recognizing that board members have different financial resources, the amount given is left to the individual board members. All prospective board members will be made aware of this policy and, if elected to the board, will be given a copy of this policy when they receive their board manual.
